

ALEXANDER ACADEMY

AUDITIONS: La Bayadere Spring 2025 Production

When: Sunday, January 12th at 12:00 pm

Where: Alexander Academy of Performing Arts at Queen Ka'ahumanu Center

Who: Level 4 and 5 dancers

How: Audition fee is \$20 & \$15 for those on discounts

Before the Audition:

1. Arrive early to receive an audition number.
2. Sign in and pay the audition fee by cash, check or charge.
3. Upon arrival, each dancer must complete the Audition Packet prior to auditioning.
This packet includes: audition form, contact form, liability waiver and performance contract.

After The Audition:

4. Cast list will be announced by email approximately 1 week after auditions. Please be sure we are in your email contact list to avoid the SPAM folder. We use both of these email addresses:
dance@alexanderacademy.info and office@alexanderacademy.info
5. Casting can be emotional for performers. If they are excited, encourage them to be humble. If they are disappointed, let them feel it. Give them time to get over it, and encourage them to enjoy being a part of the production, in the end that is what matters. If you need support from teachers, let us know.
6. Cast list email will include: offered roles, rehearsal times, performance contract, & associated performance fees with all associated deadlines. This includes a schedule of rehearsals outside of class time, which is required for the roles being given. *NOTE:* Many rehearsals will be on Saturdays and many featured parts may be scheduled throughout the week
7. All forms for role acceptance, payments and schedule conflicts are due by Thursday, January 30th.

Important Info:

***Financial:** If you require a payment plan for production fees, then look for that in the cast list email as well. Any dancers who are currently receiving discounted class tuition will be notified *by email* if they are receiving a scholarship on any performance fees.

***Absence:** We take our absence policy very seriously. Roles may be re-cast if a dancer does not uphold their required class and rehearsal commitments.

***Performance Contract:** This is required to be signed by both dancer and parent. We love the bravery of every dancer going into an audition. We honor all the feelings that can happen in both positive and negative emotions for all involved. Our teachers take a lot of time to discuss all casting decisions for every individual. We hope that each dancer will take pride in their part with humility and support for each other.

***Volunteering:** None of this is possible without our dancing Ohana! Volunteering is expected, much appreciated and very needed for the success of our organization. It is understood that production dancers and parents will participate in Spring production fundraisers to offset costs.

**Thank you for being a part of Alexander Academy!
We are excited to inspire and build memories together!**
